WHEN WILL MY ITEMS SELL?

On average, it can take 2-4 months due to the high volume of products we have coming in. If you have seasonal items we will do our best to sell them at an appropriate time but this isn't always possible. We determine which auction your items will sell best in and may hold better items longer in order to feature them with other like products.

HOW LONG WILL MY ITEMS BE ON-LINE?

We post the majority of the product to our catalog within 3-5 days of the auction closing. Higher value or unique items may be posted for a few weeks or months depending on the auction they fit best in.

WHEN WILL MY CHECK BE READY?

Checks are ready the WEDNESDAY following the auction and are mailed on the following weekend.
